

NEMF Cost Estimator Disclaimer

Due to the possibility of a discrepancy with the information provided when obtaining an estimated cost and the actual information determined at the time of shipment, the freight charges provided are not binding upon NEMF.

Possible factors affecting the actual cost include but are not limited to, weight, cube, NMFC classification, zip codes, tariff or contract terms/conditions and accessorial services required either at time of pickup or delivery.

Should you have any questions concerning the use of this program, please contact the NEMF Traffic Department at 877-610-6363.
